FLEX *switch*

Our new Switch Rental and Partitioning Programs offer a wide range of benefits:

Cost Savings

Monthly switch rental is FREE with a 10-million minute commitment to DCI. To meet the needs of a wide range of clients, we also offer programs with smaller minute commitments, which offer low monthly rental fees.

Operational Efficiencies

Our programs offer the unique advantage of day-to-day operational support services. Equipment support and maintenance will be handled by KASA, eliminating the need for you to dedicate manpower to these functions.

Turnkey Solutions

We understand that many times, our clients require last-minute solutions. With that in mind, our programs were designed to allow you to begin running traffic in as little as 24 hours.

Quality

The KASA/DCI Switch Rental and Partitioning Program provides a complete package featuring quality equipment, termination and service solutions. From the NACT switching platform - to DCI's reliable and robust voice network - to KASA's highly skilled technicians - our programs provide the best the industry has to offer.

OUR PROGRAMS:

The KASA/DCI Flexible Switch Leasing Programs provide ultimate reliability and flexibility. All of our programs allow you to terminate minutes through DCI Voice Solutions and, when necessary, another carrier of your choice. The programs are designed to meet your specific needs by offering a variety of minutes of use requirements, which offers you the unique opportunity to enjoy all of the benefits of being a switch-owner, without the massive expense and work related to actually owning one.
